Lord Jesus come and  
fill our souls; come  
and heal our hearts.

were saved. By Your  
mercy we found life.

were saved, and we  
thank You.

What kind of love is this that You  
died for me? You went to the cross as  
an innocent lamb to give me life.  
What kind of love is this that You  
washed my feet? You gave Your life  
and took my sin.

Neither death, nor life, nor angels, nor principalities, nor height, n  
nor future can separate me from the love of God
